PROFESSIONAL SUMMARY

Motivated BCA graduate with hands-on experience in building responsive web applications using Java, Spring Boot, React.js, JavaScript, and modern web technologies. Strong foundation in REST API development, database management, and full-stack application development. Interested in contributing to technically challenging environments while continuously enhancing problem-solving, programming, and software development skill.

TECHNICAL SKILLS

Frontend: JavaScript (ES6+), React.js, HTML5, CSS3, Bootstrap 5, Responsive Design, Thymeleaf

Backend: Java, Spring Boot, JDBC, Servlets, JSP, RESTful APIs

Database: MySQL — schema design, CRUD operations, relational data modeling

Tools & Others: Git, Python, OOP, MVC Architecture, SDLC, Agile Basics

PROJECTS

Book Library Management System

Tech Stack: HTML5, CSS3, JavaScript, Spring Boot (Backend), Bootstrap 5, Thymeleaf, MySQL

- Developed a fully responsive frontend with component-based architecture for book catalog browsing, entry, and editing.
- Engineered Spring Boot REST API endpoints to handle CRUD operations and serve dynamic book data to the UI.
- Applied Bootstrap 5 grid system and custom CSS3 for a mobile-first, cross-device compatible layout.
- Used Thymeleaf for server-side template rendering with reusable components (Navbar, Footer, Tables) ensuring design consistency.
- Integrated MySQL database for persistent storage of book metadata with optimized relational schema design.

Student Data Management System

Tech Stack: HTML5, CSS3, Bootstrap 5, Thymeleaf, Spring Boot, MySQL

- Built an administrative portal for managing student records with intuitive form-based data entry and real-time validation.
- Designed accessible HTML5 forms with client-side validation attributes to ensure clean data before backend processing.
- Created a centralized CSS stylesheet maintaining a consistent visual identity (colors, typography, buttons) across all pages.
- Implemented full-stack CRUD functionality using Spring Boot REST controllers and MySQL for backend persistence.

CERTIFICATION

Java Full Stack Development Certification

TechMaxx Institute, Chennai | Aug 2025 – Jan 2026

- Completed an intensive full-stack program covering JavaScript, React.js, Java, Spring Boot, JDBC, Servlets, JSP, and MySQL.
- Delivered hands-on projects demonstrating end-to-end full-stack application development and deployment readiness.

EDUCATION

Bachelor of Computer Applications (BCA)

St. Joseph College of Arts & Science, Chennai | 2022 – 2025 | CGPA: 7.0

Higher Secondary Certificate (HSC)

Chennai Hr. Sec. School | 2022 | 70%
